DC REGULATIONS:

- No vehicles, except those of the timekeepers, shall be parked at the start or finish.
- All breaches of Local Regulations shall be reported in writing to the London West District Secretary.

LOCAL REGULATIONS:

- To reach the HQ at the Bentley Memorial hall, riders must only cross over to the other side of the A31 by using one of the breaks in the central reservation provided for that purpose. Any person associated with the event that is observed crossing to the other side of the dual carriageway by any other means will be reported to the Police and the London West District Committee of the RTTC.
- No bicycles to be taken into the hall. Shoes with plates or cleats should be removed before entering the hall.
- No parking in Hole Lane adjacent to the hall or those areas identified by "no parking" signs.

ADDITIONAL NOTES

- Car parking is available at the HQ and in the lay-bys on both sides of the road adjacent to the finishing points.
- The normal dual carriageway of the A31 has been reduced to a single lane at a point approximately three miles from the start. The left hand lane has been cross-hatched for a distance of approx 400 yards to finish at a point opposite the Petrol filling station just beyond the Hen & Chicken Public House situated on the north side.
- Returning from the Holybourne roundabout on the north side of the A31 the road has been reduced to a single lane by road cross-hatching on the right hand lane commencing approximately 220 yards before the junction to Mill Court on the south side and finishing adjacent to the Hen & Chicken Public House on the north side.
- Competitors are to act in a manner appropriate to competing on a single lane road whilst within the restrictions imposed by the road cross-hatching area.
- To reach the start from the HQ in Bentley, go eastwards through the village to join the A31, cross to the right hand lane after 850 yards (there are lane markings) and then cross over to the South side of the A31 at the Gravel Hill road junction just short of the 'Bull' PH and continue for 760 yards to the lay-by start point.
- After finishing, riders must not stop but continue to one or other of the central reservation breaks, cross over with great care and go westwards passing the start point lay-by and along the Bentley by-pass to fork left onto the slip road signposted 'Bentley'. Turn right at the 'T' junction to the Bentley Memorial Hall which you can see ahead of you.

In the interests of your own safety, Cycling Time Trials and Charlotteville Cycling Club strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard.
